Driving Violation Report – New Posted Speed Threshold

This feature enhancement includes the addition of an Over Threshold Speed and Over Posted Speed parameters allowing a user to adjust speeding event thresholds. You can choose the following thresholds for Over Posted Speed:

- 3 mph/km

- 5 mph/km

- 7 mph/km

- 10 mph/km

- 15 mph/km

- 20 mph/km

If you'd like to learn more, please visit Using the Driving Violations Report.
